

REMARKS

As a preliminary matter, applicants acknowledge with appreciation the Examiner's allowance of claims 6-48 and 51-53 and indication of allowance of claims 3-5 and 55-57.

The claim amendments set forth in this paper should serve to render pending claims 2-5, 50, and 54-58 in condition for allowance.

ENABLEMENT AND WRITTEN DESCRIPTION REJECTIONS

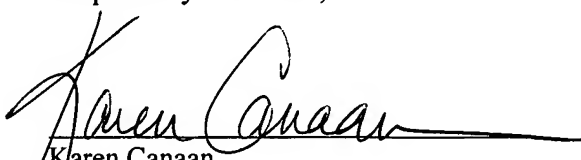

Claims 2-5 and 54-57 stand rejected under 35 U.S.C. § 112, first paragraph, as lacking an adequate written description and claims 2, 50, 54, and 58 stand rejected under 35 U.S.C. § 112, first paragraph, as not enabled by the disclosure. In response, applicants have changed the transition verb "comprising" in claims 2, 50, 54, and 58 to the transition phrase --consisting essentially of-- as suggested by the Examiner in the Office Action. With this change, claims 2-5 and 54-58 should be in condition for allowance.

CONCLUSION

With this paper, each of the Examiner's rejections have been fully addressed and overcome. Because there will be no outstanding issues for this matter upon entry of this paper, applicants respectfully request withdrawal of all claim rejections and passage of this application to issue.

Any questions regarding this paper or the application in general may be addressed to the undersigned attorney at 650-251-7713 or canaan@reedpatent.com.

Respectfully submitted,
